

2008/2009 PROGRAMME
PLANT VISIT & SUPPER

Comtek Advanced Structures-Burlington

We had a visit here 4½ years ago. During the intervening period, the business has grown and expanded in scope, and we look forward to seeing new products and improved manufacturing and inspection processes.

DATE: Thursday 13th November 2008: Tour 3:00 pm, Meal (optional) 6:00 pm.

WHERE: *Comtek Plant:* 1360 Artisan's Court, Burlington

Restaurant: Canyon Creek Chop House, 2429 Fairview Street, Burlington

DIRECTIONS:

See map overleaf.

REGISTRATION:

Please e-mail hon-secretary@imeche-ccb.org or telephone Phil Apperly at (905) 936-2855 by Monday 10th November. ...over

ADVANCED NOTICES:

DECEMBER

The IMechE / IET joint Christmas dinner meeting will be held at the Marriott, Dixon Road on Friday evening 5th December. The subject will be the proofing and testing of buildings against predicted climate-change induced weather, up to and including hurricanes.

JANUARY

On Tuesday Jan 20th, we hope to have a speaker from MDA to update us on the current Mars Phoenix mission
